

Cookie Declaration Policy

motalogistics.co.th

Last updated: 16 March 2026

1. Introduction

This Cookie Declaration explains how MOTA Logistics (“we”, “our”, “us”) uses cookies and similar technologies on the website motalogistics.co.th.

Cookies are small text files that may be stored on your device when you visit a website. They are commonly used to support website functionality, improve performance, and enhance user experience.

2. Use of Cookies

The website motalogistics.co.th is primarily a corporate information website and does not use cookies for advertising, tracking, or behavioral profiling.

At present, the website does not intentionally place cookies on visitors’ devices for marketing or analytics purposes.

However, certain technical or essential cookies may be used by the web hosting infrastructure or security systems to ensure proper website operation.

These may include:

- Basic session handling
- Security or firewall protection
- Temporary technical logs required for server operation

These cookies do not identify individual visitors and are not used to track browsing behavior across websites.

3. Third-Party Services

Our website may contain links to third-party websites.

If you visit those websites, they may place their own cookies on your device according to their own privacy and cookie policies.

MOTA Logistics does not control the cookies used by external websites.

4. Managing Cookies

Most web browsers allow users to control or disable cookies through browser settings.

You can choose to:

- Block cookies
- Delete existing cookies
- Receive notifications when cookies are being placed

Disabling cookies may affect the functionality of certain websites, although this website is designed to function normally without requiring cookies.

5. Updates to This Cookie Declaration

This Cookie Declaration may be updated from time to time to reflect changes in website functionality or regulatory requirements.

Any updates will be published on this page along with the revised date.

6. Contact Information
